STATE ORGANIZER  
GIVES TALK HEREMrs. Orville T. Bright Addresses Mem-  
bers of Various Parent-Teachers'  
Clubs.

200 PERCENT AT HIGH SCHOOL

Officer in the National Congress Urges  
the Formation of a Union Council  
in Rock Island.

Three hundred parents, members of parent-teachers' club of the various schools in Rock Island, at a joint meeting held at the high school auditorium yesterday afternoon, heard the influence of these clubs extolled by Mrs. Orville T. Bright of Chicago.

Mrs. Bright, who is state organizer of the National Congress of Parent-Teachers' organizations, gave a very able address and as a result of her address within the near future a union of all of the various school organizations will be effected into the Rock Island Council of Parent-Teachers' clubs.

Mrs. Bright discussed the mission of the association. She traced its rapid growth during the past 15 years. She said that particularly in the last few years has these organizations increased in number. She declared that now there were organizations in every state in the union.

She discussed the object of the associations as bringing the mothers and fathers in the schools and in touch with what the teachers are doing. Mrs. Bright, said the teacher, trained to instruct the young, is often able to accomplish more with a child than the parents. She said in the past that there has been too much criticism of the public schools and that the parent-teachers' clubs would tend to eliminate much of this criticism, a good deal of which was unsubstantiated.

School is Greatest.

The speaker declared of the home, the school, the church and the state the school had the greater influence over the young, and was therefore the most important. She urged that a council of Rock Island Parent-Teachers' clubs be formed and that it then affiliate with the national congress.

While in this city, Mrs. Bright was entertained at the home of Superintendent of Schools E. C. Fisher and Mrs. Fisher, 926 Seventeenth street. She departed today for Chicago.

Following was the program at the meeting yesterday afternoon:

Song, "I Love the Stars and Stripes"

—Jessie L. Gaynor.

Recitation from "Jocelyn" (B. Godard)

—Aline Jane Martin, Bessie Baker, accompanist.

Address, "The Mission of the Parent-Teacher Association"—Mrs. Orville T. Bright.

Song, "America"—First and last verse.

THREE NATIONS OFF  
PARCEL POST LIST

The postoffice department has been obliged to discontinue immediately the sending of parcel post mails to Germany, Austria and Hungary. This is due to the fact that the steamship companies have refused to accept parcel post for those countries, and postmasters have accordingly been instructed to decline parcel post packages for mailing to the countries named, until otherwise ordered.

A Serbian editor having announced in a recent address that an army of 250,000 of his countrywomen would soon be in the field against the Teutons and Bulgars, the diplomatic thing for the central empires would seem to be a scattering of tracts proving that woman's place is in the home.

## Chicken Pot Pie

The Chef's Favorite  
By Mrs. Janet McKenzie Hill, Editor of  
the Boston Cooking School Magazine

Some folks think that only "colored mummies" can cook chicken, but a trial of this famous chicken pot pie disproves that assertion. Every member of the family will thoroughly enjoy it.

R. C. Chicken Pot Pie, Baked Dumplings  
One fowl cut in joints, 1/4 cup flour; 1/2 teaspoonful salt; black pepper, 2 cups flour; 3 level teaspoonfuls K. C. Baking Powder; 3/4 dozen cold salt, 1/4 cup shortening, milk or cream.

Cover the fowl with boiling water and let simmer until tender, then remove to a baking dish. Mix the 1/4 cup flour, salt and black pepper with cold water to a smooth paste and use to thicken the broth. Remove the fat from the top of the broth if necessary before adding the thickening. Pour this gravy over the fowl, until it is nearly covered, and reserve the rest to serve apart. Stir together the flour, baking powder and salt, three times; into this mix the shortening and use cream or milk to make a dough, less stiff than for biscuits. Put this by spoonfuls over the fowl in the dish, which it should rest upon and completely cover. Let bake about 35 minutes.

When young, tender chickens are scarce, this presents a most satisfactory way of serving old fowls. Visit to lunch prepared in this manner is more appetizing than when served as a stew. Try this and the 89 other delicious recipes in the R. C. Cook's Book, a copy of which may be secured free by sending the colored certificate tucked in the 2-cent can of K. C. Baking Powder to the JACOB MORGAN CO., Chicago.
